## Art Director / Graphic Designer

### About

For the past twenty years I have been making my living as a designer. I have done graphic design for everything from small brochures through catalogs and text books to websites and full company branding campaigns as well as interior and exterior exhibit design & trade-show graphics. For the past fifteen years I have been an Art Director and Creative Director.

2002 — 2012

New Headings Creative Director for 10 years. My contributions encompassed all creative materials from website through print production

Two years re-branding Tauck World Discovery Art Director responsible for the design and execution of the new branding initiative including designing and executing All materials through prepress to final color approval on press.

Most recently — I am consulting/designing for Famous Artists School on their marketing campaigns, re-designing their course books and website as well as leading their social media marketing. <http://famous-artists-school.com>.
